

**2022-2023 JCAA  
Student Media Release**

**Explanation to Parents: Media Release Form:**

There are several times during the school year when the news media or school personnel ask to interview and/or photograph many of our students.

Sometimes a television station will request a taping in a classroom or an interview with a student. A newspaper reporter, for example, may ask to interview an academic contest winner. If you are willing for this to occur, we request that you complete the form below. It will remain on file at the school. There will also be times when pictures and/or information about contest winners, student's work, as well as student life on campus will be posted on the school's website. This media release form will serve as permission to post such information as needed.
