

Recounting His Blessings

"Have we not reason to talk of God's goodness and to tell of His power? . . . God's goodness in hearing and answering prayer places us under heavy obligation to express our thanksgiving for the favors bestowed upon us. We should praise God much more than we do. The blessings received in answer to prayer should be promptly acknowledged. . . . All trials that are received as educators will produce joy. The whole religious life will be uplifting, elevating, ennobling, fragrant with good words and works" God's Amazing Grace, p. 325.
