Thank you for being here with us today! We pray that you will be drawn by Jesus' love to come again. As we reverently gather before the throne of grace, we seek the Holy Spirit's power to make us like Jesus and to be a blessing to others.

After the church service, please remain in your seats until you are dismissed from the sanctuary, and then exit quietly to the outside. We ask that you hold your conversations until you are out of the sanctuary in order to maintain an atmosphere of reverence in the house of God.

Next week's offering is for Michigan Radio Ministries.

There will be a fellowship meal after the service today. Everyone is welcome to join for food and fellowship.

The elder on call next week is Henry Jiang. His number is 269-252-3076.

Come pray with us on Monday, Wednesday, and Friday mornings at 6:00 a.m. here at the church.

Our evangelistic series continues each Monday and Wednesday evening at 7:00 p.m. at the St. Joseph High School auditorium.

There will be a potluck lunch next Sabbath for all who would like to stay. Bring a dish to share, and join us!

Weekly Prayer Meeting is on hold during the evangelistic meetings.

Sabbath ends tonight at 7:19 p.m. and begins again next Friday at 7:09 p.m.

Recounting His Blessings

“The Lord calls upon us for confession of His goodness. . . . Our confession of His faithfulness is Heaven's chosen agency for revealing Christ to the world. We are to acknowledge His grace as made known through the holy men of old; but that which will be most effectual is the testimony of our own experience. We are witnesses for God as we reveal in ourselves the working of a power that is divine. Every individual has a life distinct from all others, and an experience differing essentially from theirs. God desires that our praise shall ascend to Him, marked by our own individuality. These precious acknowledgements to the praise of the glory of His grace, when supported by a Christlike life, have an irresistible power that works for the salvation of souls.” God's Amazing Grace, p. 277.
