

## Announcements:

**Mission Project:** It is still not too late to sign-up for bringing a few pies for the Myhre Mission Project. Bismarck Church, our mission to help the teachers and staff of Myhre Elementary School has come to an almost standstill with Covid, but through many phone call conversations we have found ways we can still continue our mission while respecting their new policy.

Many of you likely remember the pies we donated to the teachers last year, and we would like to do that again. We need **65** pies to give to the teachers and staff. We will be delivering them to the school Monday, November 23rd. **If you are able please bring STORE BOUGHT PIE to the church today (11/21) or Sunday (11/22).**

If you bring them outside of church services, you can leave them in the entrance way to the church. Thank you so much for all the time, prayers, and money you have invested in Myhre Elementary.

**Prison Ministry:** The gift bags were delivered to the inmates on Friday, November 13. I want to share a couple of responses we received from 2 of the inmates. One says, "Dear Brothers and Sisters in Christ, We at the D.O.C.R. appreciate everyone at the SDA Church. The care package we inmates received from y'all is heartfelt, brought joy to our day, also reminded us that people do care and that Christ Jesus is FORREAL and alive. We also pray for y'all and hope your holiday season is fruitful, abundant, and blessed. Your friend in Christ." Another inmate said, "About 5 minutes ago (Friday @ 3:06) we received a gift bag from the chaplain with some goodies. Inside I noticed a letter from the SDA Church Ministry address. Many in here are very grateful. Sure some mock the reading material, but have no problem chomping into some treats. I'm sending this email and want you guys to know that they say a BIG THAAANK YOOU!!!!!! I say thank you for showing the love and compassion of Christ Jesus. As I pop some blessed buttery delicious holy melt in your mouth popcorn... The SDA Ministry will be in my thoughts. Lol." Please continue to pray for all these inmates.

**Vacation:** Pastor Rob is on vacation from Friday, November 20<sup>th</sup> through Friday, November 27<sup>th</sup>.

## Pastor Rob's Message

Jesus was about to face the most difficult and painful trial a human would ever face. Yet his disciples had spent the day arguing about who was the greatest. One of them was so filled with self-righteous determination that he was making comically and tragically incorrect promises to the Savior. Another was currently conspiring deadly treason. If ever there was an excusable and understandable time for Jesus to complain, it was now.

This is why I find the timing of John 13:31 so jarring. “Now is the Son of Man glorified, and God is glorified in him.” (ESV)

Of all the times when the problems could understandably have been overwhelming, Jesus had his eyes fixed on the glorious thing that God was about to accomplish - releasing sin-captive humanity from the hopelessness of selfishness and death. Wow!

I get discouraged from time to time. More often than I wish. Problems can come crashing in like ocean waves, relentless, continually knocking me off balance, but Jesus is not phased. He can handle it. He is handling it! He already handled it!

This is what I am thankful for this fourth week in November of 2020. I serve a God who has already overcome! Even in the darkest of times the Son of Man will be glorified, and God will be glorified in him.
