Pastor’s Corner:

Jeremiah wrote to the exiles as they were on their way to Babylon. God had warned them man many times that something would happen if they didn't change their ways. imagine the feelings they would have felt walking towards their new home. There are four lessons that we can learn from the letter that Jeremiah that are very important for us today. As Father's day comes around these same four lessons that we learn from Jeremiah's letter are also lessons that many Fathers have learned.

Blessings,

Pastor Jacob
