Welcome:

We want to welcome you to the Bismarck Seventh Day Adventist Church. Whether you are a visitor or a long-time member we hope that you experience God's presence as well as warm Christian fellowship today here at church. Have a Happy Sabbath!

Pastoral Home Visit or Prayer: Members and non-members, if you would like a home visit or prayer from Pastor Vernon contact him at 831-313-5662 or email at pastor@bismarcksda.org.

Pastor's Corner: With the technological advances we have today people can do almost anything. Sounds good, but is it true? For example - medical testing is advanced, but when you are lying in a cold operating room seeing masked faces surrounding you, you don't really focus on trusting technology. When you know, a tube is going to run through the main artery in your leg to your heart which is being pumped full of dye you don't really hope the tiny camera is going to work okay and take really nice pictures, do you? It is kind of scary as the doctor tells you they are ready to begin. I believe it's at that moment you realize all the technology in the world cannot save you. As you close your eyes and think of all the what ifs, you realize all you have is God. The earth is God's and the fullness thereof. Yes, doctors and nurses were placed on earth by God as His instruments of healing, as well as the men who invented the technology, but healing comes from God alone. As we have medical professionals who can heal our physical infirmities, we need to remember that God is the only One who can heal our broken hearts shattered by sin. *Jeremiah 7:14 declares: "O LORD, you alone can heal me; you alone can save. My praises are for you alone!"*

Blessings,

Pastor Vernon
