### Pastor’s Corner:

"My grace is sufficient for you." For a long time, I struggled with what this means. Does it mean that we are supposed to be content in our weakness's? Actually yes.

This word in Greek that means weakness actually means so much more than just what we think when we hear "weakness." We also see that Paul pleaded with God to remove his personal weaknesses for his ministry, but God says to Paul, "My grace is enough for you, for my power is made complete in your ασθενεια."

What ασθενεια are you carrying? What do you feel is weighing you down? My challenge for you is to allow God to make you complete even when you are weak.

Blessings,  
Pastor Jacob
