

Announcements Continued

The Dakota Conference is excited to hold Campmeeting this year. To help protect guests the following protocols will be implemented:

All meetings will be held in the gymnasium to assure safe distancing. If there is concern regarding sitting in metal chairs, please bring a seat cushion to add comfort. Because of the new wood floor at the academy, there will be no outside chairs or lawn chairs allowed in the gym.

Face masks are not required but are encouraged.

There will be scheduled cleanings in the gym and public places between meetings.

Cafeteria tables will be spaced as far apart as space allows. Entrance to the café will be from the boys' dorm side and guests will exit toward the girls' dorm.

If you feel sick or are exhibiting symptoms, please do not expose others by attending.

There will be livestreaming available through the Dakota Conference's website and Facebook page.

Church Smart Restart: We are slowly moving towards returning to a normal worship schedule. Please notice the following details for July 18. Sabbath Schools will continue to meet. An offering plate will be available at the door after the service. Potluck remains canceled, however, you may bring a brown bag lunch and eat with friends after church. Please clean up after yourself. We encourage everyone to exercise appropriate social distancing, use hand sanitizer, and wear a mask when in conversation with others.
