

Announcements:

Mission Project: Bismarck Church, our mission to help the teachers and staff of Myhre Elementary School has come to an almost standstill with Covid, but through many phone call conversations we have found ways we can still continue our mission while respecting their new policy.

Many of you likely remember the pies we donated to the teachers last year, and we would like to do that again. We need **65** pies to give to the teachers and staff. We will be delivering them to the school Monday, November 23rd. If you are able please bring STORE BOUGHT PIE to the church next Sabbath (11/21) or Sunday (11/22).

If you bring them outside of church services, you can leave them in the entrance way to the church.

Thank you so much for all the time, prayers, and money you have invested in Myhre Elementary School and our mission to help their staff.

Church Board Meeting: The church board meeting has been rescheduled for Tuesday, November 17, 2020 at 7:00 pm.

Church Smart Restart: We are slowly moving towards returning to a normal worship schedule. Please notice the following details. Sabbath Schools will continue to meet. An offering plate will be available at the door after the service. Potluck remains canceled, however, you may bring a brown bag lunch and eat with friends after church. Please clean up after yourself. We encourage everyone to exercise appropriate social distancing, use hand sanitizer, and wear a mask when in conversation with others.

Pastor Rob's Message

God is love (1 John 4:8) Throughout Scripture God is described in many ways, but love is the only characteristic that goes beyond description to definition. The greatest articulation of love to be found in the Bible is in Paul's first letter to the church in Corinth. You may have heard it. Love is patient, love is kind, etc. If God himself is the very definition of love, then 1 Corinthians 13:4-8 can help us see not just what love looks like on the human level, but who love is. It is the definition of the heart of God. It is His very essence. It is the bedrock and framework upon which all right beliefs and teachings are built. What is God passionate about? What stirs Him to the core? Love, defined.

This week's message will explore the Biblical truth that God is hopeful.
