Pastor Rob's Message

God is love (1 John 4:8) Throughout Scripture God is described in many ways, but love is the only characteristic that goes beyond description to definition. The greatest articulation of love to be found in the Bible is in Paul's first letter to the church in Corinth. You may have heard it. Love is patient, love is kind, etc. If God himself is the very definition of love, then 1 Corinthians 13:4-8 can help us see not just what love looks like on the human level, but who love is. It is the definition of the heart of God. It is His very essence. It is the bedrock and framework upon which all right beliefs and teachings are built. What is God passionate about? What stirs Him to the core? Love, defined.

This week's message will explore the Biblical truth that God is forgiving.
