Outreach: Come & See Sabbath School invites anyone who might be interested to join us in visiting elderly members who can no longer come to church or anyone who might be lonely or sick on the second Sabbath of every month. On the fourth Sabbath of every month, we pack sack lunches for the homeless and deliver them to those we find on the streets or in parks with any leftovers going to the Heaven's Helpers Soup Cafe. If you would like to help provide food for these lunches or participate in visitation, please reach out to Kimber or Tami Flemmer.

Dakota Conference Women's Retreat: The women's retreat is 09/30/2022-10/2/2022. Get a reduced price if you pay before September 5, 2022. The brochure is located in the church foyer.

Conference Town Hall Meetings: Come One, Come All! You are invited to attend one of our Conference Town Halls. These meetings will be centered around Dakota Adventist Academy with the goal to share as much information as possible regarding how our Conference is working towards the long-term viability of DAA. They will begin at 6:30pm, local time, and last no more than 90 minutes. The scheduled date for Bismarck is September 8.

DAA Survey: This is your last opportunity to give us your 10-minute feedback on Dakota Adventist Academy. This survey provides excellent data to help focus our program goals for the future, so your feedback is very important. Please take a few minutes to give us your thoughts and comments by using the appropriate survey link below by September 5. Please go to this link to take a survey:
<https://survey.zohopublic.com/zs/fszoWx> We appreciate your help and are grateful to have you as part of our school community! Don't forget to follow the survey instructions to be entered into a drawing for a \$25 gas card.

Thank You Note: I want to thank Pastor Vernon and the church family for the beautiful service in honor of my birthday. A special thank you to all who helped with the food and music to make the day extra special. With love, Edna Moser

Pastor’s Corner: When was the last time someone thanked you? Yesterday? Last Week? Longer? When was the last time you said thank you? Yesterday? Last Week? Longer? I remember a lesson I learned when I was in 8th grade. My teacher was instructing us on how to be thoughtful and polite. I'll never forget what she said. "Always say thank you after someone gives you something." Naturally, my classmates and I immediately tried to find a loophole. "Even if someone is handing you a bag of trash? What if they are handing you vegetables you don't wanna eat?" Surely enough she said yes to every scenario! "It's not about what you're receiving it's about being kind." Hebrews 10:24-25 shares "And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching." Thank you for being who you are, what you've done, and what you're doing. I encourage you to thank a brother or sister the same way today!
