Announcements:

Parsonage Work Bee: On July 19 starting at 9:00 A.M., we will conduct a Work Bee at the parsonage. The chores will mostly be lawn care, tree trimming the north side of the lot and some maintenance in the garage. Thank you for helping get ready for our future pastor.

Church Smart Restart: We are slowly moving towards returning to a normal worship schedule. Please notice the following details for June 20. Sabbath Schools will continue to meet. An offering plate will be available at the door after the service. Potluck remains canceled, however, you may bring a brown bag lunch and eat with friends after church. Please clean up after yourself. We encourage everyone to exercise appropriate social distancing, use hand sanitizer, and wear a mask when in conversation with others.

Brentwood Teacher's Aid:

Our Brentwood school is seeking a teacher's aid for the 2020-2021 school year. Please contact Dixie Thoman at 701-400-7140 for more information.

Small Groups:

This ministry will continue to be on hold until this fall when we can re-evaluate the safety of gathering together. If you have any input on small groups please contact Julie Bitz.

Church Roof:

Despite not being able to come out to church we have just about finished raising all the money we need for our new roof! The roofers have been contacted and the project will begin soon. Thank you to all who have been giving so generously to this project!
