Pastor’s Corner:

The school year has come to an end, and we see many graduations. In our own church we have witnessed some of our own children graduating. It’s not just school graduations we are looking forward to. Here at Bismarck, we are excited to see our first Adventurer class ‘graduate’. I am thankful for every volunteer teacher who willingly dedicated of their time to help these young minds discover who they are in Christ and learn how to be resourceful citizens of heaven and of this world. Our children have joined millions of kids around the world in discovering one of the most fun clubs ever created for them. The Adventurer Club is designed to strengthen parent-child relationships by providing specialized weekly activities tuned into the psychological needs of this age group while simultaneously giving parents opportunities for learning parenting skills and enjoying special activities with their children. By allowing your child to be part of this club reminds me of Proverbs 22:6, “Train up a child in the way he should go, and when he is old, he will not depart from it.” May this Adventurers club grow to be the light in our church and community as it builds the foundation for the future generation leaders of the church.

Many Blessings,

Pastor Vernon
