### **Welcome:**

We want to welcome you to the Bismarck Seventh Day Adventist Church. Whether you are a visitor or a long-time member we hope that you experience God's presence as well as warm Christian fellowship today here at church. Have a Happy Sabbath!

**Pastor’s Corner:** A woman brought her dead duck to the vet’s office. The doctor pulled out his stethoscope and told her the duck was dead. The woman insisted that he do some tests to make sure. The vet rolled his eyes but brought in his black lab that quickly smelled the duck, shook his head, and walked away. His cat was then carried in. He cautiously approached the duck, sniffed him from head to toe, meowed sadly, and ran out of the room. The vet said, “The duck is definitely dead, here is your bill.” The woman exclaimed, “\$150 for what?” The vet said, “My exam was only \$20, but the lab test and cat-scan were expensive.” She asked for tests, she paid for tests. Not accepting the obvious truth will cost her. Humans do have problems accepting the truth when it is as plain as the nose on their face, or in this case, as plain as the dead duck on the vet’s exam table. People seem to place hope in dead things that aren’t worth placing any hope in, yet they seem to lack hope in the obvious living truth. The obvious living truth is Jesus Christ. He said *“I am the way, the truth, and the life. No one comes to the father except through me (John 14:6).”* He also said, *“I am the bread of life... the living water and the resurrection and the life, everyone who believes in Me shall never die (John 6:35; 4:10; 7:38; 11:25).”* Friends, Jesus is the hope of this world. Hope placed in any other thing, whether it’s wealth, health, government, or even education is hopeless. There is a very high price to be paid by all who do not accept the obvious living Truth. Decide today to follow Jesus in all truth because tomorrow is not guaranteed.

Blessings,  
Pastor Vernon
