**Pastor’s Corner:** In the middle of a wheat field, there was this sign, “*The harvest is great, the laborers are few and Jesus comes quickly.*” The sign was true and thought worthy. Scripture speaking of the great harvest is found in Luke 2. Jesus compared a field of grain in need of being brought into the barns to people who need to be brought into the Kingdom. You will find the second part of the sign declaring Jesus is coming quickly in Revelation 22. With all the recent unrest, war, and tragedies in the world more and more people are declaring and believing that Jesus is coming very soon. People whose minds are usually far from thinking of Jesus’ return or anything about Him are thinking on Jesus. The few laborers now have an awesome opportunity to bring in a great harvest of lost, hurting people. People whose hearts and minds are ripe and ready to be filled with the Great News of how they can come to the Kingdom. An old hymn written in 1874 comes to mind titled, “*Bringing in the Sheaves.*” As a child growing up not knowing much about English words and its meaning, I had no idea what a sheave was and honestly sang “*sheets.*” It could have meant so many things like someone grabbing some bedsheets from a clothesline and running in the house with them quickly before the rain began to fall. Only much later in life, I realized that ‘*sheaves*’ is a bundle of grain. The first stanza of the song speaks of sowing, waiting for the time of harvest, and reaping. The second stanza says this, “*By and by the harvest, and the labor ended.*” Then it says, “*Bringing in the sheaves, bringing in the sheaves, we shall come rejoicing, bringing in the sheaves.*” Someday, and many believe soon, the harvest and labor will end, then Jesus will be here. Friends, how many signs do we need before we realize that Jesus’ return is at hand and that the harvest is plentiful, but the laborers are few? Let’s get busy bringing in the “*sheaves*” before the harvest ends ushering in the return of Jesus.

Blessings, Pastor Vernon
