**Pastor's Corner:** The first week of 2022 is behind us. For most of us it went well; however, we have no idea what this year will bring, but we all know that if we trust God in prayer He will go before us and prepare the way as He promised in Deuteronomy 31:3. We have started our prayer partners initiative and I pray that all will participate therein. We are blessed to be able to pray for one another. Prayer is such a powerful tool, and I believe that everyone can testify of answered prayer at some point in their life. Let me share one story about the power of prayer -- During the Olympics in Los Angeles in 1984, sixteen hundred churches brought members together to pray. An officer from the police academy visited the county morgue after the Olympics and asked about the number of bodies that were brought there each day. He was told they usually received an average of 78 and many were murder victims. "Did you ever see a change in these statistics?" the officer asked. "Yes, during the two weeks of the Olympics, there were no murders." When the eyes of the world were on the US and on their city, they asked God to intervene and protect it. He did! The difference friends was prayer. Let's join hands and pray for our church family and experience the power of prayer.

Many Blessings,

Pastor Vernon
