Small Groups:

This ministry will continue to be on hold until this fall when we can re-evaluate the safety of gathering together. If you have any input on small groups please contact Julie Bitz.

Church Smart Restart: We are slowly moving towards returning to a normal worship schedule. Please notice the following details. Sabbath Schools will continue to meet. An offering plate will be available at the door after the service. Potluck remains canceled, however, you may bring a brown bag lunch and eat with friends after church. Please clean up after yourself. We encourage everyone to exercise appropriate social distancing, use hand sanitizer, and wear a mask when in conversation with others.

PASTOR ROB'S MESSAGE

God is love (1 John 4:8) Throughout Scripture God is described in many ways, but love is the only characteristic that goes beyond description to definition. The greatest articulation of love to be found in the Bible is in Paul's first letter to the church in Corinth. You may have heard it. Love is patient, love is kind, etc. If God himself is the very definition of love, then 1 Corinthians 13:4-8 can help us see not just what love looks like on the human level, but who love is. It is the definition of the heart of God. It is His very essence. It is the bedrock and framework upon which all right beliefs and teachings are built. What is God passionate about? What stirs Him to the core? Love, defined.

This week's message will explore the Biblical truth that God is not like *that*.
