### **Welcome:**

We want to welcome you to the Bismarck Seventh Day Adventist Church. Whether you are a visitor or a long-time member we hope that you experience God's presence as well as warm Christian fellowship today here at church. Have a Happy Sabbath!

**Scam Alerts:** The conference office has been getting a lot of calls and emails this week regarding scams that are going from the pastors to the members.

Wording that keeps coming up is:

- Asking for a favor.
- The person asking is in a meeting or they would have called.
- Please buy me some gift cards to help so-and-so, too busy to buy cards themselves.

I am not aware of how the scammers get a hold of personal information or why our conference seems to be targeted this week. There are many older members who do not know this is a scam and need to be made aware of it. Church family please be aware of this.

**Pastor's Corner:** John Bunyan said, “*You have not lived today until you have done something for someone who can never repay you.*” So, what is he getting at? Are doing good only helping the poor with food and clothes or is there more to this statement. Jesus echoed this same principle that a meaningful and purposeful life is based upon treating others with benevolence ‘as we would like to be treated’. He says in Matthew 5:46,47, “*For if you love those who love you, what reward have you and if you greet your brethren only, what do you do more than others?*” Religion can be encapsulated in this one principle found in Luke 6:31, “*and just as you want men to do to you, you also do to them likewise*”. True religion is not about rigidly following religious rules to win brownie points with God in order to enter heaven. True religion springs from the heart that is so touched by God's benevolence that it radically changes the way we view the world and others. Friends, may this principle guide you through life. I want to close with a quote from Germany Kent, “*The most attractive thing about you should have less to do with your face or body and more to do with your attitude and how you treat people.*”

Many Blessings,  
Pastor Vernon Herholdt
