POTLUCK TODAY - Please join us for potluck in the church fellowship hall, following the church service.

HEART RENEWAL FOR A NEW YEAR - A new year means a chance to start anew, but renewal isn't a one-time event; it's a daily, even moment-by-moment choice to trust God. It's about stepping into each day with faith and trusting that God is at work. For the full story, see news.uccsda.org/renewal125.

UCC NEWS - I'm excited to share with you Prayer Ministries theme and activities for 2025. Grounded & Growing Vertically in Jesus 2025 is our full theme. We want to be grounded in God's word and growing more like Jesus. To that end here are some wonderful activities you can invite your church pray groups and members to participate in. We challenge you to participate and sign up at: www.uccsda.org/grounded2025. **Days of Prayer** - We begin the new year praying for God's Holy Spirit in our lives, to be grounded in Him. And we continue praying with the GC 10 days of prayer on the topic of "prayer" by Pavel Goia. This will end Sabbath January 18. We hope your church will enjoy participating in this. **Reading Steps to Christ** - Beginning February 1, we invite every man, woman, boy, and girl, to read *Steps to Christ* and pray about what they learn together. This book is like no other book! It connects the reader to the value Jesus places on their heart and life! It transforms us, growing us into a fullness of the righteousness of Christ. No matter how many times we read it, it is still new and refreshing. What better way to start the new year reading this book during the month of February. –Kathy Marson

BASEMENT HEAT PUMP – as some of you may have noticed, the basement heat pump didn't cool the basement well this summer. The new unit has been installed. We need to raise over \$6,000 to pay for it. Please prayerfully consider donating to the Capital Improvement & Replacement fund to help us remedy this problem. Thank you!
