ANNOUNCEMENTS

WELCOME TO BREWSTER ADVENTIST CHURCH! Welcome to our guests and members. May you be blessed as you worship with us today.

1ST READING FOR MEMBERSHIP TRANSFER – of John and Sharon Metcalf from Brewster SdA Church to Omak SdA Church.

NEW YEAR'S EVE PARTY – 5:30 p.m.–7:30 p.m. out at the BACS gym. We will have a little service with songs, reflection, and prayer. Vision for the future. Food afterward, bring what you want to share - finger-food style and then a couple of games for a little fun. Clean-up 8 p.m.

POTLUCK HOSTS – We need potluck hosts for Sabbath, January 4. Please look at the list on the bulletin board and see what weekend you might have available to help out and add your name to one of the options that are available. Thank you!

UCC NEWS - I'm excited to share with you Prayer Ministries theme and activities for 2025. Grounded & Growing Vertically in Jesus 2025 is our full theme. We want to be grounded in God's word and growing more like Jesus. To that end here are some wonderful activities you can invite your church pray groups and members to participate in. We challenge you to participate and sign up at: www.uccsda.org/grounded2025. **Days of Prayer** - We begin the new year praying for God's Holy Spirit in our lives, to be grounded in Him. And we continue praying with the GC 10 days of prayer on the topic of "prayer" by Pavel Goia. This will end Sabbath January 18. We hope your church will enjoy participating in this. **Reading Steps to Christ** - Beginning February 1, we invite every man, woman, boy, and girl, to read *Steps to Christ* and pray about what they learn together. This book is like no other book! It connects the reader to the value Jesus places on their heart and life! It transforms us, growing us into a fullness of the righteousness of Christ. No matter how many times we read it, it is still new and refreshing. What better way to start the new year reading this book during the month of February. –Kathy Marson

BASEMENT HEAT PUMP – as some of you may have noticed, the basement heat pump didn't cool the basement well this summer. The new unit has been installed. We need to raise over \$6,000 to pay for it. Please prayerfully consider donating to the Capital Improvement & Replacement fund to help us remedy this problem. Thank you!
