

School Portraits

Will be Taken on Thursday - October 3, 2024

Dear Parent(s),

My name is Debra Simons and for the past several years I have had the privilege of taking Burleson Adventist School's school pictures. The name of my studio is, "Moments in Time Photography". A few years ago I stopped sending home "Proof" envelopes because either the students either didn't take them home or they lost them. Some that did make it home were lost or misplaced before the ordering date.

Due to some of the reasons listed above, I have started sending home the "proofs" via text message to the parent(s) cell phone along with the prices of the different packages. The benefit of doing it this way is that you will get to see them and decide whether or not you wish to purchase them.

In order to do this I will need you to fill out the information on this form and give it to the school. I will collect them on picture day so please have them turned in by October 3 or before.

If you choose to purchase the pictures you can send the payment (check or cash) to the office at the school or you can pay me directly through Zelle (preferred) or Venmo. Please add my phone number to your contacts in your phone so that your phone will not block my text when I send you the Proof and Package(s) information. In some cases you may not be able to receive my text because you haven't enabled SMS Messaging on your phone. I'm not real sure what that means exactly I just know that I received that message back on some of the texts I sent out last year. For that reason, I will also need your email address so that I will be able to send them to you that way. I will not be emailing all the proofs. Just the ones that won't go through via text message. My cell phone number is: 817-657-7761.

Sincerely,

Debra Simons
Moments in Time Photography

Parent's Name _____

** Student(s) Name(s) and Grade(s) _____

Cell Number(s) - (The number(s) you wish me to send the proof(s) to) :

Email Address: _____

** If you have more than one child in the same school, please list them all (with the grade on the same form.

PS: (Please print neatly so that I will be able to read the information correctly.)
