**The offering** today is for **Local Church Budget**. Loose offering not specified on a tithe envelope for the weekly offering or a particular ministry *always* goes to the Local Church Budget. Please remember many ministries rely totally on individual donations. Write your first and last name on the envelope if you wish to receive an annual receipt for your records or tax purposes and include your address if you will not be here in January to pick up your receipt.

**Christian Appeal** *Christ was a physician of the body as well as of the soul. He was minister and missionary and physician. From his childhood he was interested in every phase of human suffering that came under His notice. He could truly say, "I came not to be ministered unto, but to minister. In every case of woe He brought relief, His kind words having a healing balm. None could say he had worked a miracle, yet He imparted His virtue to those He saw in suffering and in need..."* ~Review and Herald, October 24, 1899
