Dear Parents,

It has been a joy to serve our community through Teton Adventist Christian School (TACS) these past two school years. It is hard to believe it is already time to plan for the next school year. We here at TACS are beginning to move our wheels toward the 2024-2025 school year and would love to include your family in our plans! We are currently a K-8, two-classroom school with two full-time teachers and a full-time aide. If you are looking for a Christ-centered education for your child(ren), please contact us to set up a personal tour of our school and to meet our teachers. We have a Preview Day on March 29 from 8:15-12:15 where students can come attend school with us for a day. We also have an open house scheduled for May 3 from 2-5 pm, where families can come see our facility and meet our staff.

After prayerful consideration, please fill out your contact information below and return it to TACS by February 19, 2024. Registration is currently available on the school website. There has been a lot of interest in the school for next year. Please complete the registration packets by April 1, 2024 to ensure your child has a spot for the 2024-25 school year. Early registration is due by May 31, 2024. Our final deadline is August 1.

Sincerely yours,

Xylia Capote, Teaching Principal- Teton Adventist Christian School

Katie Harris, School Board Chair- Teton Adventist Christian School
