- We need a few volunteers now, willing to cut out & make different items we will be using during VBS.
- Please save all your empty transparent/white plastic gallon and half-gallon size jugs like those from water, milk, juice, decaf tea, and windshield wiper fluid (see below). Approximately 500 are needed. To wash, you may use soapy water, then rinse well & dry.

**There is a COLLECTION BIN in the foyer for VBS items.**

# Make Christian Education Possible

At Inez Wrenn SDA School, many of our students rely on Worthy Student funds to attend. Without this support, they would not have the opportunity to receive a Christ-centered education.

We invite those who feel called to partner with us in this mission. Your support helps students learn, grow, and come to know God in a meaningful way.

To give, simply mark “Worthy Student Fund” on your tithe and offering envelope or contact the school for more information. Together, we can continue making Christian education accessible for every child.

These funds do more than cover tuition—they open the door for students to grow academically, spiritually, and personally in an environment where they are daily introduced to their Creator, Redeemer, and Friend—Jesus.
