To our Church Family

As this school year draws to a close, I find myself reflecting: This was my first year at Inez Wrenn and my first year as a principal, and from day one, the Crossville SDA Church made me feel welcomed. The support and warmth extended to myself, my wife and to our entire school has been truly extraordinary.

The church has been more than a sponsor or partner in name. You have been a spiritual home and an encouraging presence throughout this entire year. Our mission at Inez Wrenn — to learn, serve, and grow with Jesus — is something I have seen this congregation model and make possible every single day. I am sincerely grateful for the investment you make in Christian education. It is a blessing I do not take for granted.

One of the greatest privileges of this year has been watching our students grow not only academically, but personally and spiritually. They are learning what it means to care for others, to take responsibility, and to understand their worth in God's eyes. Those are the lessons that endure long after the school year ends, and they are the ones that matter most. Our students are being shaped, in no small part, by the community you have built around them.

This first year has been a profound blessing, and I am grateful for all that God has done in and through this community. I look forward with great anticipation to what lies ahead and to continuing this journey together.

With deep appreciation,
Mr. Joshua Kranenburg
Principal, Inez Wrenn

Make Christian Education Possible

At Inez Wrenn SDA School, many of our students rely on Worthy Student funds to attend. Without this support, they would not have the opportunity to receive a Christ-centered education.

We invite those who feel called to partner with us in this mission. Your support helps students learn, grow, and come to know God in a meaningful way.

To give, simply mark "Worthy Student Fund" on your tithe and offering envelope or contact the school for more information. Together, we can continue making Christian education accessible for every child.

These funds do more than cover tuition—they open the door for students to grow academically, spiritually, and personally in an environment where they are daily introduced to their Creator, Redeemer, and Friend—Jesus.
