Renovation- Thank you for giving towards the renovation. Due to your generous giving, we now have \$91,793 in the renovation fund. The board has voted to move forward with phase 1 of the renovation project even though it is projected to cost \$20k more than previously anticipated. This phase involves complete re-roofing of all the steep slope areas, adding detailing at the steep-to-flat roof locations to make flat roof replacement easier in the future, and new gutters at steep slope roof areas.
