Renovation Fund- I would like to express appreciation for all who have given above and beyond towards the renovation project ahead of us. Due to your generous giving, we now have \$80,089 in the renovation fund. In addition, we have applied for a \$85,000 loan with the NPUC revolving fund to assist with a \$165,000 project and we are one step away from having complete approval. Please continue to pray for God's clear leading through this process.
