- **Flushing of Village Hydrants will be Monday and Tuesday, May 13th & 14th, 2024**

Flushing will be done overnight, beginning at 10:00 PM. By changing the time and the way we will be doing the hydrant flushing we are hoping to clear up some of the discoloration of the water. However, if you happen to notice a lot of discoloration it will help if you open your outside faucet and let it run to clear any debris.

Electronic Bank Transfers

Are available through the Village to pay your utility payments. Your payments would be removed from your account on the 8th of the month. Online payments are available for a small fee at eauclairemi.com, you may also call-in payments during regular business hours.

Spring is upon us!!

As the weather is getting nicer, please remember to be a good neighbor! When mowing your lawn or weed trimming be kind and make sure the debris is blowing back into your yard and not your neighbors! Also, please do not blow grass clippings and debris into the roadway as this can make driving conditions dangerous if it rains and they become wet and very slippery. This is especially dangerous for motorcycles. Public Works will pick up small branches & limbs that are bundled and placed at the road. However, they will not pick-up whole trees. Our dump is too small for whole trees and is limited to unbagged leaves, grass & small branches. Please no building materials, and no sod.
