

Public notice:

*The Village of Eau Claire will hold a public meeting on the proposed wastewater system improvements project for the purpose of receiving comments from interested persons. The meeting will be held at 6:30 p.m. on April 24th at 6625 E. Main Street, Eau Claire, MI 49111.*

*The purpose of the proposed project is to replace aging infrastructure at the Village's Wastewater Storage Lagoons in an effort to provide reliable wastewater treatment service to system's users.*

*Project construction includes replacement of lagoon transfer structures and site piping, lagoon site work, and security fencing.*

*Temporary impacts of the proposed project include construction traffic through the Village, but no long negative impacts are anticipated. The estimated project costs are totaled to be approximately \$1.85 million.*

*User rates will be increased to service the debt and operate and maintain the proposed improvements over time. The estimated cost to users for the proposed project will be discussed at the public meeting and the final costs will be dependent on the terms of the financing proposed by EGLE for this project and ultimate scope of the project.*

*Copies of the plan detailing the proposed project will be available for inspection beginning April 7, 2023 at the following location(s): Village Hall 6625 E. Main Street, Eau Claire, MI 49111. Written comments received before the meeting record is closed on April 24th at 6:30 pm will receive responses in the final project planning document. Written comments should be sent to: Shawn Foster.*
