This summer please remember to be a good neighbor! When mowing your lawn or weed trimming be kind and make sure the debris is blowing back into your yard and not your neighbors! Also, please to not blow grass clippings and debris into the roadway as this can make driving conditions dangerous if it rains and they become wet and very slippery. This is especially dangerous for motorcycles. Also, a gentle reminder that water on your property should stay on your property.

*Please continue to save your can tabs! We will be collecting them for at least a year.

*Please continue to help the Village with lead & copper service line inventory. See the photos on our website to help you determine what type of service lines you have

*Also Don't forget the Cherry Festival Parade will be on the 4th of July at 1:00.

Urgent

For all the local business in the village please be aware of scams in the area! If someone calls you and says they are the police and are investigating fraud at your place of business and need you to bring them all the bills in your cash drawer to a waiting car outside, DO NOT DO IT! It's a scam! It would not be handled this way so please report any suspicious activity!
