CLASSROOM CORNER--Did You Know? (DYK)

Did you know Valley Adventist

1. is accredited by the North American Division Commission of Accreditation and by the National Council of Private School Accreditation?

2. has a unique philosophy of Christian education which is founded on scripture with two primary aims of spiritual nurture and educational excellence?

No, we are not the largest school in the Valley, however Ellen White states, “If you lower the standard in order to secure popularity and an increase of numbers, and then make this increase a cause of rejoicing, you show great blindness. If numbers were evidence of success, Satan might claim the pre-eminence; for in this world his followers are largely the majority. It is the degree of moral power pervading the college that is a test of its prosperity. It is the virtue, intelligence, and piety of the people composing our churches, not their numbers, that should be a source of joy and thankfulness.” CoE pp 69-70
