~~~~~

*"42And they continued steadfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers...47 Praising God, and having favor with all the people. And the Lord added to the church daily such as should be saved." Acts 2:42,47*

**THE PASTOR'S VIEWPOINT**

Dear Ones ... Let's explore this together during tomorrow's sermon ...  
What is present truth?  
Why does it matter?  
If you and your family were being persecuted for your faith, and your only hope was for you and your family to get on a ship and sail to a new world, would it matter if the world was flat and you were going to fall off the edge of the earth and die?  
What if the church taught that the earth was flat?  
Would you get on the ship?  
Would you risk the lives of you and your family to test the theory of a round world?  
Would you sail into the unknown out of hope for a new world and a new beginning?  
Would the teaching of a round earth be present truth?  
Luther went on trial to prove that the good news of the gospel was true, and the bad news of the papacy was a lie.  
The result of that trial would change the world.  
Would you be brave enough to stand up for the truth?  
Or would you sit there and keep your mouth shut?  
Do you care even today about present truth?  
Or do you only care about what's for dinner?  
What if your life was on the line? Would you take the risk because you believed in what a book told you?  
Come this Sabbath to see the outcome of something much bigger than a flat or round earth debate?  
What is at stake in this debate is your eternal life.  
Are you interested?  
Or is all that matters is who is going to win the big game?  
-Your Pastor Hubert

MANAGING YOUR COMFORT: Outdoor projects (the church yard, parking lot) may begin later as the day warms up. There are PLENTY of indoor fun projects to be done during the morning!

Yummy TOASTADAS will be served at 1pm. And be sure to smile whenever the picture-taker comes around!

Working at His temple is such satisfying way to serve the Lord. Bless, and also be blessed!

**PRAYING FOR EACH OTHER**

Our **Carlos Arroyo** has been experiencing a couple of frustrating setbacks to his healing from gout complications. Recent brief hospital stays have helped to alleviate fluid buildup in his heart and lungs. Carlos longs for the day when he can worship again in person with his church family. He appreciates your thoughts and prayers.

Please keep **Dasyn McIntosh** and his family in your prayers as they grieve the loss of Dasyn's younger brother, Vonte.

Please continue to keep Judy Phelps and daughter, Donnette, in your prayers. This week, Judy has suddenly developed many surprising symptoms that have caused concerned doctors to advise her to take a break from many of her church activities. (Judy has experienced several traumatic events recently, which also call for a time of healing.) Additionally, Judy's daughter, Donnette, has taken a negative turn in her delicate health situation.

Our **Phyllis Gardener** is thankful to announce that she has been declared cancer-free. Praise the Lord!

Our **Theresa Clarke** and her sister, **Kim Clarke**, ask for your continued prayers as Theresa receives cancer treatments.

**Laura Hoffman**, wife of our Don Hoffman, is scheduled for wrist surgery this coming week to hopefully complete the repair to damage done after a fall that broke her wrist. Please keep her in your prayers.

Our own **Verla Shenke** had been making a steady recovery this week. She participates via online, but longs for the privilege of attending worship with her church family, and asks for your continued prayers.

**NEWEST CHURCH MEMBERS!!**  
 Please get better acquainted with our most recent official members to our Capitol View church family...

**William ("Brother Bill") Cordray** ~ Brother Bill is the tall, lean gentleman with kind eyes and a friendly smile, usually sitting in the center part of the Sanctuary. He is very pleased to join our fellowship (though he will be away on vacation for a couple of weeks at a family reunion and visiting friends), and already invites guests to church from time to time. Bill works at a machine shop on North 27<sup>th</sup> Street, but as an accomplished artist, he also enjoys displaying his beautiful creations at art shows. Bill has plans to work on projects for our church in the future.

**Terri Cupp** ~ Terri moved to Lincoln from Wisconsin nearly a year ago following the death of her beloved husband. Being faithful Adventists their whole marriage, they have had many fond memories of church involvement together. Terri has even served as a Church Clerk, among other offices. Terri has already become involved here as a *Taste & See* Potluck team member. We welcome Terri's sweet smile and kind friendliness.

**Cassandra Cupp** ~ We welcome Cassandra to our official church family! She is Terri Cupp's daughter, also having moved to Lincoln nearly a year ago. They usually sit in the middle of the center section of our Sanctuary. We are so pleased to enjoy another young adult in our fellowship. Cassandra works at Kawasaki during the week. We look forward to getting better acquainted!

**PLEASE HELP YOURSELF TO FREE WINTER COATS, HATS, GLOVES!**

We thought it was a good idea to offer free winter wraps to bless others. The Coat Room, located across the Restroom on the Main Level, is where you may help yourself, or to give to someone else who may be needing a free winter coat or accessories. These free nice winter items are located **HANGING AT THE FAR END OF THE COAT RACK (and on top) WITH A CLEAR SIGN IDENTIFYING THEM.** Please help yourself to them soon. (Note: A few days are forecast to be cold next week. Don't delay. In April, their next stop will be the thrift store.)
