

I am Chosen

Before the stars lit up the night,
Before the earth saw morning light,
You called my name, You knew my heart,
Set me apart, right from the start.
Through every storm, through every fight,
Your hand has held me, guiding my life.

I am not forgotten, I'm not alone,
In Your love Yeshua, I've always known.

I am chosen, not forsaken,
By Your grace, my path is taken.
Called by name, redeemed by love,
I am chosen by Elohim above.
In Your purpose, I will stand,
Held forever in Your hand.

When doubts arise, and shadows fall,
Your voice reminds me of it all.
You have a plan, a hope, a call,
To lift me up, I will not fall.
Your promises, they never die,
On Your foundation, my life is made.

I am not forgotten, I'm not alone,
In Your love Yeshua, I've always known.

Chorus

אני נבחרתי, לא אעזוב
Ani niv'charti, lo e'ezuv
I am chosen, not forsaken

בחסדך, דרכי אתה טוב
Bechasdecha, darki atah tov
By Your grace, my path is taken

קראת לי בשמי, פדיתי באהבה
Karata li b'shemi, padita b'ahava
Called by name, redeemed by love

אני נבחרתי, אלוהי התקווה
Ani niv'charti, Elohei ha'tikvah
I am chosen by Elohim above

במערך, אעמוד תמיד
B'ma'archa, e'amod tamid
In Your purpose, I will stand

בידך, לעולם אתמיד
B'yadecha, l'olam e'atamid
Held forever in Your hand

No height, no depth, no power below,
Can separate me, this I know.
Your love has marked me, sealed me
I walk in freedom by Your grace.
