MARITIME CONFERENCE

June 1, 2021

Greetings Maritime Conference!

Here is an update to our previous communication regarding the ABC food order. We are thankful that the ABC is willing to use the same arrangement as last year **with improvements**.

1. To place your order, you will need to **call the ABC directly at 800.765.6955**. They will take your payment information at that time but will not process it until Aug. 26, which is when the campmeeting sale ends. At that time, they will add a 20% shipping fee to your order.

2. This order is not limited to dry/canned goods only. It includes any items the ABC carries, books, gift items and even frozen food items.

3. The order does have a condition. There has to be enough sales to justify them putting a bulk order together. Having said that, they feel quite confident that they will have no problem reaching their sales target to be able to ship. In the event that the sales target is not met you will be notified.

4. The ordering process is in place already so you may place your order as soon as you receive this letter. Remember the deadline for the campmeeting sale prices and the deadline for ordering is **Aug. 26, 2021**.

5. This year we have made a change that will be a benefit to all! **When you place your order you can indicate where you want to pick it up in Fredericton or at Camp Pugwash.**

6. We will be emailing you the pickup dates and times once we have a confirmation date from the shipping company. At that time we will also give you the address of where to pick up your order in Fredericton if you selected Fredericton as your pickup point.

The **ESTIMATED** time of arrival will be on or around Sept 8, 2021.

Hopefully this email answers your questions regarding the ABC orders for this summer.

Blessings!

Dave Miller
