2024

It's November! I like to call this the Grateful Month. I can make lists of things I am grateful for, but I want to focus first on our school. I am thankful for all of you Parents. The reason our school is here IS because of you parents who bring your precious children to us on a daily basis. Secondly, I am grateful for our Dedicated Teachers and hardworking staff. Our Teachers continue to provide a curriculum that challenges the children while making it fun and engaging. I walk through the classrooms or outside and see those little wheels turning in their minds as they work on solving problems. I smile when I see their happy faces as they socialize and make friends. They are learning how to stick to a schedule and follow direction. It is wonderful to observe. The Teachers hug and love your little ones when they need it, encouraging them to spread their little wings and fly. "I'm proud of you for trying!" is heard often. I am grateful for the staff behind the scenes who make sure you are informed via calls, emails and answer your questions regarding billing and statements. The cooks

who feed your children healthy meals. Our landscaper who keeps our playground looking neat and tidy. These are all the things I see every day and am reminded of how blessed I am to be a part of this small but mighty center. I hope you can take a moment to make your own list of reasons why you are thankful. I think you will be able to find quite a few things and I am hoping one of the things will be our little school.

Please check the important dates box to make sure you don't miss anything. We will be taking a week off for Thanksgiving. I know there are some longer breaks coming up, but please remember our staff is here all year around and have family they need to spend time with as well.

Thank you for continuing to support our School. We are lucky your little stars are here to grace us with their wit and laughter. Their bright smiles and sparkling eyes touching our hearts oh so deep. Have a wonderful month of Thankfulness.

Ms. Penny, Director
