

## Discoveryland News

March gave us showers and storms, and April brings us fresh flowers and green hills. I don't know about you, but I have sure been cold these last few months. It's been nice, but I am looking forward to some warmer weather so we can do a lot of outdoor activities. Outdoor learning is something we want to start incorporating more of at our center. Since Covid, we have been trying to do more of it for health reasons. There is science outdoors, and messy art projects; language and music time under the trees sitting on a blanket. So many fun things we can do outdoors. I feel our children spend a lot of time indoors as it is, and will be doing more of it when they join the elementary years. So we will keep you posted on how this all works out for us here at Discoveryland.

in room 5 teaching Pre-K. Be on the lookout for a note in your child's sign-in to see if you are moving to a new room. Thank you for being so flexible with us.

We still need more students to make it through the summer and into fall since we will be losing some friends to Kindergarten. Please refer our center to anyone who may need quality childcare. Don't forget you get a referral credit of 300 dollars! It is also an unlimited benefit for you and your family. You can refer as many friends as you like. It's a win-win for all of us.

Our school is filling up! What a blessing for us. We are opening another room to accommodate the new students. This means your child may be moved to a new room. Ms. Annie will be working with the new group. When we started up in June, we were forced to blend the age groups. But now with more friends joining our center, we are now able to have the younger age students in room 1 and the young 4's will be with Ms. Annie. Ms. Angela will still be

Please be aware that our calendar was set at the beginning of the year and we anticipated things would be open sooner. So many scheduled activities and functions may be cancelled due to the State and County regulations. We will still celebrate Week of the Young Child here at school with the children, but Spring Fling will

2021

be cancelled. Parent Teacher Conferences will be scheduled and you may choose to meet in person safely, or do a phone conference with your child's homeroom teacher. We look forward to a beautiful spring with you and your little ones.

*Blessings, Ms. Penny Corpus,  
Director*

### Dates to Remember

April

- 12-16 Week of the Young Child
- 26 Teacher In-service Day. No School
- 27 Parent/Teacher Conference
