# Discoveryland News

It's November! I like to call this the Thankful Month. Even though this year had been so strange and difficult, I think I can still make a list of things I am thankful for. First and foremost, I am thankful for all of you. The reason our school is open is because of you parents who bring your precious children to us to care for and teach. Second of all I am thankful for our Dedicated Teachers and hardworking staff.

calls, emails, and answer your questions regarding billing and statements. The cooks who feed your children healthy meals. Jesus, our janitor who keeps our center sanitized and clean for us to work in every day. These are all the things I am reminded of on a daily basis. The reason why I am blessed to be a part of this center. The reasons I am feeling thankful. I hope you can take a moment to make your own list of reasons why you are thankful. I think you will be able to find quite a few things and I am hoping one of the things will be us.

Thank you for continuing to support our school. We are lucky your little stars are here to grace us with their wit and laughter. Their bright smiles and sparkling eyes touching our hearts oh so deep. Have a wonderful month of Thankfulness.

Ms. Penny, Director

Our Teachers continue to provide a curriculum that challenges the children while making it fun and engaging. They hug and love your little ones when they need it, encouraging them to spread their little wings and fly.

**Dates to Remember**  
November

Please check the important dates box to make sure you don't miss anything. Parent teacher conferences are coming up. We would like to be able to share the assessments with you in a safe way. The requirements through the county are still strict regarding gatherings, but hopefully there can be family time.
