

Dear Church Leader,

At *Hope for Humanity*, our mission is to empower you in leading effective, Christ-centered humanitarian ministry—ministry that touches lives, builds community, and advances the mission of the church. The enclosed materials are designed to support your congregation's involvement in *Hope for Humanity*, while also serving as helpful tools for your broader outreach and community service efforts.

Inside this envelope, you'll find samples of resources created to help you successfully carry out the **2025 Hope for Humanity campaign**. These materials are just a few of the tools available to assist you, and additional copies can be ordered using the included order form.

Hope for Humanity partners with local churches to strengthen community engagement by providing funding for projects led by church members and woven into local ministry. When your church supports this initiative, you're not only serving your neighborhood—you're also contributing to building stronger communities across the globe.

We hope you find these materials useful and inspiring. We'd love to hear your feedback—how you're using them and how we can improve them to better support your ministry.

One of our core values at *Hope for Humanity* is **partnership**. We are co-laborers in a sacred mission—the compassionate ministry of Jesus Christ. This partnership extends to our congregations, our communities, and our fellow believers across the globe who are reaching out with God's love. Together, we demonstrate the grace of God through service, generosity, and connection.

Thank you for your continued support of *Hope for Humanity*. Your leadership and commitment are vital to the success of this ministry.

If you have questions about the materials or would like to discuss your church's upcoming campaign, please don't hesitate to email us at HopeforHumanity@nadadventist.org. We're here to help.

On behalf of those whose lives will be touched and transformed through your church's efforts, thank you. Through *Hope for Humanity*, we extend the love of Christ and the hope of His kingdom to a world in need.

May God bless you in your ministry and witness.

Yours sincerely,

D. Kent Sharpe
