- After School Care is available each Friday from 12:45-3:45 P.M. If you know that you will be using After School Care, please text or call Sarah Pryor at (530) 575-0417 before 11 A.M. on the day of use.
- If you need After School Care on other days, please let us know.
- If you would be interested in being paid to offer After School Care, please let us know that, too.

Volunteering

All families are required to volunteer at the school a total of 25 hours during the school year. Please see volunteer opportunities as they are sent home in your weekly packet, and let us know how you can help.

Early Pick-up

When you need to pick up your child before school is out, please call the school to let us know, and so that we can open the gate for you. You will also need to sign them out in the office first. Please don't enter your child's classroom.

MAP Testing

We will begin our fall MAP testing on Monday, September 23. This is the first of 3 testing periods that will happen throughout the year. The tests adjust to the level of the individual student, and show their progress throughout the year.

You are encouraged to bring healthy snacks for the class to share during testing weeks.

Chicken Project Update

This month the students will be starting the egg incubation process, as well as designing their chicken coop. The eggs should hatch the first week of October, and the chicks will need to stay in the brooders, inside the classrooms for 6-8 weeks. During that time, we will be building their coop.
