4 – 8th Grade Graduation & Kindergarten promotion, 6:00 P.M.; GVSDA church

5 – Last Day of School; Wednesday

Teacher Appreciation Week

Thank you, teachers, for all that you do to make our school a special place! Please make sure to show your appreciation to your teachers the week of May 6-10!

Spring Bulbs

The Spring Bulbs Fundraiser ends on Monday, May 6. Please turn in all orders that day. The orders should arrive the following week.

Color Fun Run

Friday, May 17, is the 2nd Annual ERCS Color Fun Run.

This year we have specially made commemorative T-shirts - all participants who collect at least \$20 in pledges will get a free shirt! Participants will be sprayed with a different color chalk powder at every station (safe and non-toxic). It should be lots of fun, so come out and cheer them on!

Commemorative T-shirts are available in all sizes for \$15 each.

Roller King

On Monday, May 20, the whole school will be going skating at Roller King, in Roseville. Students will need to wear their ERCS T-shirts, and bring a sack lunch. After skating, we will go to a nearby park to eat and play.

Swim Party & Minimum Day

The whole school will be going to the Memorial Park Pool on Tuesday, June 4. The cost is \$10 per person. We will need drivers and chaperones.

After swimming, we will eat lunch and play at the park. All students need to be picked up from the park by 12:30 P.M.

Graduation

Our 8th grade graduation & Kindergarten promotion will take place on Tuesday evening, June 4, at 6:00 P.M., at the Grass Valley SDA church.

Volunteers

The students have done a great job designing their new volleyball court/sandbox, and now we need some volunteers to help make it a reality!

- Help prep the ground
- Dig
- Show students how to use tools
- Help and oversee work on the project
- Lend your expert advice
- Other?

We also need some help getting wood chips spread around the steps to the portable classroom and moving books and shelves into the new library.

If you can help with any of these things please let us know!
