## **COMPUTER/TABLET USE AGREEMENT**

### **Student Agreement**

As an enrolled student at Riverview Memorial School, I understand that using computers/tablets in the classroom is a privilege and not a right. I understand that the internet can connect me to much useful information stored on computers around the world.

When I use a computer/tablet or other device belonging to the school or to myself:

- I will first obtain permission from the teacher.
- I will take care of it and put it away properly.

While I have access to the Internet:

- I will use it only for educational purposes.
- I will not access social media sites.

If I accidentally come across something illegal, dangerous, offensive, or inappropriate, I will:

- Clear any offensive pictures or information from my screen and
- Immediately and quietly inform my teacher.

I will not look at or participate in anything that is illegal, dangerous, offensive, or opposed to the Adventist values of this school.

I will not reveal home addresses or telephone numbers. (Mine or anyone else's) I will not use the Internet to annoy, offend, or bully anyone else.

I understand that if the school decides I have broken these rules, appropriate action will be taken. Any activity not in compliance with these rules may result in a loss of access as well as other disciplinary or legal action.

### **Parent/Guardian Agreement**

I understand that the Internet can provide students with valuable learning experiences. I understand that assignments will be given in which the use of technology is necessary. I understand that every reasonable effort will be made to provide supervision. I also understand that the Internet gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous, or offensive. I accept that, while teachers will exercise their duty of care, protection against exposure to harmful information must depend finally upon responsible use by students.

I believe that \_\_\_\_\_ (Student Name) understands this responsibility and I hereby give my permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. Any activity not in compliance with these rules may result in a loss of access as well as other disciplinary or legal action.
