

Praying for our Communities

WHO: We are praying for actual neighbors on your street, and also people from other areas of your life in your communities.

WHAT: A church-wide movement of corporate prayer for 30 Days.

WHEN: This prayer journey begins Sunday, November 1st - 30th, 2020.

WHERE: Wherever you are located and whatever time you choose.

WHY: We believe awakening starts with the church and then spread outward into our communities because no person is beyond the reach of God's transforming love.
