Welcome ...

We welcome you to the Paradise Adventist Church! As we open God's Word, we invite you to join us in prayer that His Word will become real and life-changing in each of our lives today.

Today's Focus ...

What happens when an individual really encounters Jesus? What is it that creates such an opportunity? Jesus takes the lead in such an encounter, but what is needed from us to make it effective? Today we reflect on Jesus' healing of a blind man from Luke 18. We watch a man in desperate need go from being "outside" to being "in." What is the Holy Spirit waiting to teach each of us about such an encounter with Jesus?

Our June Finances

(as of last Sabbath—June 16)

As of last weekend, we reached the mid-way point
in our June finances.
The graph below shows June's offerings received
as of the 16th of the month toward our customary needs:

PAC Ministries Fund: Received \$13,646 (21.49% of \$63,500 Goal)
School Mortgage: Received \$ 4,554 (45.43% of \$10,025 Payment)
PAA Worthy Students: Received \$ 1,261 (18.01% of \$7,000 Goal)

Being at the mid-way point of the month, we should have received 50% on each of our goals to be on track. As you can see, we're doing fairly well in our School Loan donations so far this month for the PAC Ministries Fund and PAA Worthy Students are both lagging far short of their goals. **If you are able to give an extra amount to help us catch up on this shortfall, we would be extremely grateful!** Especially, now that we are in the lean summer months when many of our members are away on vacations.

And BTW: We would be happy to hold your post-dated checks to be deposited at a later date if you would like to leave them with us before you head out on vacation. And e-Giving is always just a click away—no matter where you are!

THANK YOU for your generous support of our church finances!

Update on School Loan

(Phase II of Run with the Vision Campaign)

NCC Project Dominica (ACS)

Each Sabbath, about 150 members and visitors attend the Wesley Seventh-day Adventist Church on the island of Dominica. (Not to be confused with the Dominican Republic, Dominica is a small island in the Caribbean Sea, situated between Montserrat and St. Lucia. Wesley is located on the northeast coast line.)

The congregation has had an active community services group that utilized a building adjacent to the church to provide tangible help to the community. Dominica is one of the poorest of the Caribbean countries. About 15 church members provided meals to the community on a regular basis and distributed clothing and other items to people in need.

On September 18, 2017, Hurricane Maria demolished the Wesley Community Services building. *Maranatha Volunteers International* has been asked to build a new center for the ACS group at Wesley, and the Northern California Conference ACS (Adventist Community Services) has been asked to provide both funds and volunteers to construct the building. The new building will allow the church members to resume their service to the community. They also plan to increase their outreach by adding cooking classes, health screenings, and family life seminars.

To make a donation (requested by July 30, 2018), please write **NCC Project Dominica** on your offering envelope.
