SEVENTH-DAY  
ADVENTIST EDUCATION

June 8, 2020

Dear Constituents,

We are wrapping up a very eventful, historically significant 2019-2020 school year. As this year comes to an end we celebrate our four eighth graders—Reagan, Love-Joy, Abi and Jed. These four individuals are uniquely qualified to share their God-given gifts with the world and I cannot wait to see how they go about doing that. What a privilege to be able to witness a milestone accomplished as they move on to high school and beyond.

Our Pre-K/Kindergarten students are wrapping up, for many of them, their first experience with school—and what a first experience it was!! How exciting to cheer them on as they continue to be valued learners in our ECA community.

Finally, our learners, teachers, parents, volunteers, church members—you have all contributed greatly to the ECA community and we are quite grateful for the support, hours of work and the feedback that continues to make our community even better. I am especially excited for the new changes that are coming our way in terms of curriculum and programming at ECA. Woven in with that excitement are difficulties that we have to face head on. Will you join me on this challenging but fulfilling journey?

Your voice is significant and contributes to strengthening the very foundations of our school. **Please join us in discussing the challenges, new developments and dreams to come for Emerald Christian Academy on June 18, 2020 at 7:00 pm.** Since we are now in Phase 2 in Lane County we will be meeting at the ECA gym and maintaining social distancing in our seating. Masks will be provided for those who might need one. Looking forward to seeing you on June 18. **Please RSVP to [office@emeraldchristianacademy.com](mailto:office@emeraldchristianacademy.com) so we can be prepared with seating.**

Sincerely,

A handwritten signature in black ink that reads "Nelita Davamony-Crawford". The signature is written in a cursive, flowing style.
