

Hi Everyone,

Philippine Global Missions will be selling the following fruit for our fall fundraiser. If you are interested, please preorder.

I have attached a PDF flyer that you can print out and share with your friends, family and neighbors or put up on your church bulletin board. All profits goes to the Philippine Global Missions.

Price:

Fuyu Persimmons \$25/box — Each box is approx. 20 lbs.

Satsuma Mandarin Oranges \$25/box — Each box is approx. 15 lbs.

Chandler Premium Light Walnuts \$15/bag — Each bag is 3 lbs.

Chandler Premium Bulk Walnuts \$120/box — Each box is 25 lbs.

Note about the fruit.

- **Satsuma Mandarin Oranges** - Tree ripened, sweet, juice, and easy to peel.
- **Hachiya Persimmons** - Not available this year.
- **Walnuts** - Walnut prices listed is the 2018 price and this is subject to change. Each year the price is set by the industry on November 1 after the new crop is harvested. So the prices are subject to change. For the last three years the prices have not changed enough for me to change my price.

I will make two trips to get fruit this year. Both trips will be in November. Delivery dates will depend on which part of Oregon you live in. The *first delivery* will primarily be in the Eugene area and southward, including Central Oregon and Klamath Falls. The *second trip* will be in Portland area which includes The Dallas and Hood River.

The Satsuma Mandarin oranges are not ready to pick until mid-November so they will come on the second delivery only.

Delivery Dates:

- November 6-8 — Central Oregon, Klamath Falls, and as far north as Eugene along the I-5 corridor. (Persimmons/Walnuts)

- November 20-22 — Portland area, Hood River and The Dallas for persimmons and Walnuts. Satsuma's Oranges to ALL AREAS
