

The Emerald Christian Academy community extends far beyond the families that currently have students at ECA. Alumni, Grandparents, Church members, parents, friends, neighbors, and vendors feel the influence and impact of the ECA community.

Every year we attempt to identify the financial needs at ECA. We have identified three "pillars" that we want to focus on to contribute to growth and stability at ECA--those three areas being Facilities, Character/Spiritual Development, and Academics. This year the Oregon Conference has worked with a donor who has committed a matching amount of \$150,000 towards campus beautification. Several of the "facilities" projects have gone unattended for years, but updating our facilities, maintaining our facilities, and creating an environment that nonverbally communicates that we are stewards of what we have been given is VITAL to the growth of our school.

Please donate to ECA. Donations can be made at: www.emeraldchristian.com/support OR cash/check can be dropped by at ECA OR Donation envelopes are available in the foyer at Pleasant Hill SDA Church.

Consider purchasing an Emerald Christian Academy shirt from our website and showing your support for our school AND advertising for us around town by wearing your shirt!

Your support, your prayers, your love, your donations are significant and valued.

Sincerely,

Nelita Davamony-Crawford
Principal/Teacher
