

The Mamawi Way

November Edition

Dear Parents, Guardians, and Students,

November has been a month of achievements, remembrance, and growth here at Mamawi Atosketan Native School. From volleyball tournaments to meaningful ceremonies, our school community continues to thrive and inspire. Here's a look back at this month's highlights and updates!

Volleyball Tournament Highlights 🏐

This month, our junior and senior volleyball teams represented Mamawi with pride, determination, and teamwork in a series of tournaments:

- **FCA Junior High Volleyball Tournament:**

- **C Division:** Hosted right here at Mamawi, our C Division team showcased great effort and spirit, finishing in **8th place**.

- **B Division:** Played in Lacombe, our B Division team battled hard and secured an impressive **4th place** finish!

- **Burman U Northern Classic:**

The following weekend, our **Senior Boys** took to the court in this highly competitive tournament. Their dedication and teamwork paid off as they achieved **6th place**. Great job,

everyone!

We're so proud of all our teams for their sportsmanship and perseverance. Thank you to the coaches, parents, and volunteers who made these tournaments a success!

Remembrance Day Assembly 🌸

On November 10, our school came together for a heartfelt **Remembrance Day Assembly** to honor the sacrifices of veterans and those who serve.

The program included:

- **Cultural and Artistic Contributions:** Three of our talented students performed traditional dances, adding a unique and meaningful touch to the ceremony.
- **Grade Presentations:** Each grade shared thoughtful presentations, from poems to posters, to pay tribute to those who fought for our freedoms.
- **Moment of Silence:** Together, we paused to reflect and remember.
- **Special Guest Speaker:** We were deeply honored to welcome **Veteran Henry Rain**, who shared his inspiring story and wisdom with us. His presence made the day truly unforgettable.

Thank you to everyone who contributed to this moving event.

Report Cards and Parent-Teacher Interviews

As we approach the midpoint of the school year, **report cards** have been sent home. We hope these provide valuable insights into your child's progress and achievements.

Parent-Teacher Interviews took place earlier this month, providing a great opportunity for families and teachers to connect and discuss ways to support student success. If you missed your appointment or would like to follow up, please contact your child's teacher to schedule a meeting.

Secret spirit week was fun and full of laughs!

At Mamawi Atosketan Native School, the teachers brought a fun twist to Spirit Week by keeping the themes a surprise for the students to guess. Each day was filled with excitement and curiosity as the kids tried to figure

out the theme based on what the staff wore. There was Twin Day, where teachers paired up in matching outfits, Everything But a Cup Day, where they sipped from quirky items like pitchers and flower pots, Sandal Day, showcasing all kinds of summer footwear, and Mamawi Apparel Day, proudly representing the school spirit.

Students buzzed with guesses all day long, and those who correctly identified the themes were rewarded with special treats, making the week a delightful and memorable one for everyone!

Looking forward..

As November wraps up, we're gearing up for the holiday season and more exciting activities in December. Stay tuned for updates on upcoming events, and thank you for being an integral part of our school community.

If you have any questions or feedback, please don't hesitate to reach out.

Warm regards,

Michael Willing

Principal, Mamawi Atosketan Native School
