ANNOUNCEMENTS

- A Word from Pastor Bob** - Scripture is affirmed by History that the 2300 days of Daniel 8:14 began October 22, 457 B.C. and ended October 22, 1844 A.D. Tell me why does this total 2300 rather than 2301 years when I add 457 + 1844 to make the 2300 years ... Numbers 14:34 and Ezekiel 4:6.
By the way last week's answer was 45 years old and that may help you figure out this week's thought question.

These computers are important for science research, typing skills, teaching internet safety, writing and editing reports, standardized testing... We are looking for donations to expand our lab to include **4 more computers** to accommodate our larger classes and invite you to be part of this project.
- The kitchen ventilation project was completed just in time for school to start! Also, the gym was painted and its ceiling repaired. - a big thank you to all who contributed!
- Our next projects include **replacing the floor heating system** as the old one nears its expiry date and **painting the exterior of the school building.**
- Worthy student fund** always welcomes your support. We know tuition can be a barrier for students to attend Avalon, and financial help is periodically needed.
