## ANNOUNCEMENTS

- Pastor's Fellowship and Communication:**  
 Anyone responding to this communication with the correct answer to my question will receive, free, a book authored by Bob Lehmann. **Submit answers in a sealed envelope to the pastor before September 30.**  
 The question: "It seems a certain Rabbi had children: They were all blondes but for two; they were all brunettes but for two; and they were all redheads but for two. Now, how many children did this Rabbi have? I look forward to your responses.
- A Word from Pastor Bob** - Today, I talk about God's "Way" as it is shown in His "Holy Writ". It is as unusual as is this paragraph and all should study "It" as thoroughly as you study "this". I'm curious as to just how quickly you can find out what is so unusual about this paragraph. It looks so ordinary and plain that you would think nothing was wrong with it; and in fact nothing is wrong with it, although it is highly unusual. Study it and think about it, but you still may not find anything odd about it. But, as you work at it a bit, you might find out what it is. OK! Try to do so without any coaching; and, also study God's Word to find out His "Way" for you. Will you, do it? Thank you! Is this important or worthy of anything to us? ... Now, I think so, anyway ... But, now, if you find it, claim your "bonanza" from Pastor Bob by asking for a book by him. Oh, and do study out to know and follow "His Way" as found in His "Writ". OK? OK!
