ANNOUNCEMENTS

1. **A Word from Pastor Bob** - Can you think this through? Jesus was born into our human family over 2000 years ago as recorded in Luke 2:6-7. Perhaps in 04 B.C. Presuming that Jesus had an older acquaintance who was born on January 1, 23 B.C. and who died on January 2, 23 A.D.; how old was that acquaintance at his death? This will prepare you for next week's question.

Last Week's Answer: Each figure has inside, outside, top side, bottom side, left side, right side, front side and back side ... So, the answer is 16. I pray we all work at being thinkers!

- Avalon's computer lab has 8 new computers thanks to several donations last year. These computers are important for science research, typing skills, teaching internet safety, writing and editing reports, standardized testing... We are looking for donations to expand our lab to include **4 more computers** to accommodate our larger classes and invite you to be part of this project.
- The kitchen ventilation project was completed just in time for school to start! Also, the gym was painted and its ceiling repaired. - a big thank you to all who contributed!
- Our next projects include **replacing the floor heating system** as the old one nears its expiry date and **painting the exterior of the school building**.
- **Worthy student fund** always welcomes your support. We know tuition can be a barrier for students to attend Avalon, and financial help is periodically needed.
